# GRAINPRO® HERMETIC BAG™

*Official Name: GrainPro® SuperGrainbag® Premium*

## Features & Advantages

- Retains taste, color and aroma
- Portable, air tight, water-tight and reusable
- 500 times more airtight than normal plastics
- Protects against mold growth and insect infestation
- Fit for storage of organic products
- Maintains germination and vigor of stored seeds
- World-famous standard storage for coffee, cocoa and seeds
- Preserves quality for long period of storage (approximately 1 year)

An affordable Ultra-Hermetic liner bag that protects dry agricultural commodities against insect infestation and mold growth; preserves taste and aroma; and retains the germination rate of seeds for more than a year without using toxic chemicals. Made of high quality material with superior gas and moisture barrier layers that effectively preserves taste, aroma, and quality of dry agricultural commodities with an optional premier dual track zipper that does not need locks or clamps to seal.

Commodities in GrainPro® Hermetic Bags™ can be stored for a prolonged period of time without the risk of moisture ingress. The use of GrainPro® Hermetic Bags™ also protects the commodity from insect infestation, mold growth and aflatoxin production.
