

GUMTREE FLY TRAP JAR

Gumtree Fly Trapp Jar is a 100% non-pesticide, reusable trap to reduce the housefly infestation. Ideal for housefly control in large spaces like dairy, poultry farms and other business spaces.

Product Features:

- 100 % Non-Pesticide: Safe for Use around pets and farm animals
- Reusable with new Gumtree Fly Trapp Bait
- The Fly Trapp Jar provides easy fly control with minimal environmental impact, as it can be reused multiple times by simply cleaning and replacing the bait with a new sachet.
- Easy to use- Add Water, Mix the lure, Set the Jar and Forget the flies!!

- The enhanced odour technology in the Fly Trapp Bait ensures maximum efficacy in attracting flies, while the specially designed lid securely contains captured insects.
- Tested and proven to significantly reduce fly populations, promoting a healthier farm.
- Ideal for housefly control in dairy and other animal farms, kennels and large spaces.
